- At the election of the filing person the option grant was issued in lieu of the cash compensation payable to such person in 2025 in connection with each position on the issuer's board of directors and its committees for which such person is anticipated to serve in 2025.
- The option will vest and become exercisable in monthly, cumulative 1/12 increments beginning one month from the date of grant, subject to such person continuing to serve on the issuer's board of directors through the applicable vesting date.
